Dear Ty,

On behalf of the management team of Ericsson in Montreal, we would like to thank you for speaking at our Leadership Summit on September 27th 2012.

Your message on inspirational leadership resonated with us all. Below are some comments from our management team:

"We all felt the authenticity within inspiring leadership messages and the poignancy of the stories told by Mr. Bennett "

"He has a natural ability as a storyteller ; he was able to connect with both our hearts and our minds..."

"Interesting vs. Interested is such a simple concept that made me question myself on my listening skills "

Thank you for contributing to a successful event.
